

CQ Simple's Nimbus Platform Meeting the Needs of Today's Medical Practices

 <p>Appointment Reminders – The Nimbus can call your upcoming patients allowing them to confirm or reschedule.</p>	 <p>Voicemail to Email will keep your doctors aware of any important VM messages, wherever they might be</p>
 <p>NimbusDashboard can let your office professional transfer calls with a click of a button, saving time and money.</p>	 <p>Conference Bridges. Each doctor can have their own conference bridge, for patient or colleague interaction.</p>
 <p>Time Schedules – Each doctor can have their calls routed automatically according to their individual office hours.</p>	 <p>Emergency Notification can call the off hours doctor, alerting them to an emergency call or VM from a patient.</p>
 <p>Call Recording allows for programmed and on demand recording.</p>	 <p>Encryption within the system can keep your office HIPPA compliant.</p>

Contact CQ Simple at 989-492-7068 or support@cqsimple.com to be put in touch with your local certified CQ Expert or to be put in touch with a medical practice currently utilizing the Nimbus Platform.
